

COVID-19 Prevention Policies for Customers:

In light of the recent COVID-19 pandemic, we are taking the following steps to ensure that we do our part in preventing the spread of this virus.

In coordination with State and City ordinances, please be sure to observe the following until further notice:

- **Masks Required for entry.** Per state law and our building's policy, you **MUST** be wearing a face covering or mask to enter the space. These masks are not required while in the dance studio AND dancing/performing any activity where a mask would impede the ability to breathe. Masks/face coverings are required in ALL common areas including dressing rooms.
- **Occupancy:** Occupancy must allow a distance of 6 feet between persons. At this time, no more than the following numbers of people are permitted in the following rooms:
 - **Studio A:** 15 persons
 - **Studio B:** 10 persons
 - **Studio C & D:** 3 persons
 - **Dressing Rooms:** 4 Persons
- **Avoid direct contact.** This includes handshakes, kisses to the face, high fives and any interaction that could minimize space between persons. Avoid touching surfaces with your bare skin.
- **Stay inside hallway markers.** The common areas are marked to allow spacing for those waiting to enter the studio. Please observe them while waiting or let people pass quickly as needed.
- **Waiting Areas.** Studio C will be a designated waiting area until further notice. Should your group require more space for participants to either wait, get dressed, etc you (the renter) shall be required to rent the additional studio space to do so.
- **If sick, stay home or send sick people home.**
- **Do not build up steam.** If rooms are hot, please allow for ventilation by opening windows or asking staff to open vents.
- **Liability Waivers.** All renters must sign a waiver of liability prior to use along with their constituents or anyone within their party that is occupying the space. Renters are using the space acknowledging they are taking the proper health precautions and must waive us for any liability as it pertains COVID-19.
- **All renters must announce and pre-approve size of their groups.** Only the number of pre-approved participants will be permitted onto the premises. Any additional participants will be turned away from using the space. Violation of this policy is immediate grounds for dismissal without refund.
- **Yoga Mats and Equipment:** These must be sanitized and disinfected before and after use. You are responsible for disinfecting and cleaning your own mats and supplies. If the floor, barre or other areas need to be wiped after your use, please provide the means to do so.

- **Stay positive – stay informed.** Please seek your doctor's advise or visit www.cdc.gov for the most up-to-date information.

What we are doing:

- **Cleaning Procedures:** We have purchased hospital grade cleaning supplies. Our staff conduct rounds throughout the day to clean doorknobs, barres, restrooms, table surfaces, and other common areas with disinfectant and cleaning wipes. Cleaner/disinfectant is also available upon request. Cleanings are done several times an hour.
- **Hand sanitizer** is available on the main level and our front desk. Washing your hands for 20 seconds is the best method of prevention. Rubbing alcohol is also very effective.
- **Daily briefings** are given to staff to update them on methods of preventions as well as the virus itself.
- **Staircase Access** is available for entry and exit. This is to avoid crowding into elevators.
- Our staff will be wearing gloves and face coverings.
- **Ventilation** of the studio through our open HVAC system.
- **Allowance of daylight** through out the space – UV rays are effective against the virus.
- **Space Markers.** Common areas will provide markings to indicate how far to position yourself to observe 6 feet of social distancing.

Please be sure to create a safe environment. If any of the above is not being observed we reserve the right to expel those who are in non-compliance or stop activities all together for the safety of EVERYONE. Please observe the above so patrons can feel safe.
